HYDRATING CREAM 24H

The content is object of Italian Patent Application No. 1102018000006908 filed on 04.07.2018

Description

From pure **Collesi Blonde Craft Beer**, a high-quality cream full of precious phytochemicals to quench the skin with the intense sweetness of nature. A powerful antioxidant concentrate obtained with an exclusive "patent-pending" technology that makes this **Collesi Blonde Craft Beer** the most suitable for everyday products and ensures an effective protective action against the effects of free radicals. Thanks to its light texture, this Hydrating Cream is absorbed quickly, giving the skin a pleasant freshness and prolonged hydration. Its anti-aging complex is comprised of natural Polyphenols directly from the **Collesi Blonde Craft Beer**. Jojoba Oil and Shea Butter deeply nourish the cells with their elasticizing and emollient action. Hyaluronic Acid helps to reduce imperfections and signs of aging. Day after day, the skin is reborn and appears smoother, more toned and radiant.
