MOISTURIZING BATH & BODY WASH - FOR MEN

The content is object of Italian Patent Application No. 1102018000006908 filed on 04.07.2018

Description

A fresh and comfortable Bath & Body Wash with a delicate formula suitable even for the most sensitive skin. Enriched with Polyphenols from **Collesi Blonde Craft Beer**, thanks to an exclusive "patent pending" technology, it counteracts free radicals, restoring tone and vitality to the epidermis. Upon contact with water, it generates a soft and light foam that cleanses while respecting the skin's natural balance. The combination of phytochemicals is even more effective thanks to Babassu Oil, a true natural elixir from the Brazil with a high concentration of vitamins, antioxidants and fatty acids, which is known for its extraordinary elasticizing, nourishing and emollient properties. Showering becomes a moment of regenerating well-being, leaving the skin fresh, clean and hydrated.

TO USE

gently massage on damp skin until a soft foam is obtained, and then rinse thoroughly. For external use only.

- For the body
- Nourishing and antioxidantizing
- Suitable for the most delicate skin
- Non-comedogenic
