# REVITALIZING TONER

The content is object of Italian Patent Application No. 1102018000006908 filed on 04.07.2018

## Description

Perfect after cleansing, this delicate and transparent fluid caresses the face with its freshness, freeing it from all impurities. Enriched with precious natural Polyphenols obtained with an exclusive "patent-pending" technology from **Collesi Blonde Craft Beer**, it unleashes an antioxidant effect, giving the skin vitality and tone. Allantoin, a precious softening and repairing functional active principle, moisturizes, soothes and protects against the effects of free radicals. The Revitalizing Toner effectively completes the cleansing, leaving the skin soft, smooth and clean. It's a natural step to prepare the face for the treatments of your daily beauty routine. Alcohol-free. Ideal for all skin types

## TO USE

use after washing with Micellar Cleansing Milk or by itself. Apply with a cotton ball, gently wiping the face with delicate movements. No rinsing needed. For external use only.
