## Authentic Italian Tradition since 1896

Dal Colle history dates back to 1896, when Mr Egidio Dal Colle founded the company. He started using a special ingredient which would become a big success in the following years: the Sourdough.

Nowadays the fourth generation, Beatrice and Alvisè Dal Colle, proudly takes forward the founder's tradition with determination and passion.

Dal Colle has become one of the most dynamic player in the market and is committed to guarantee an high productive flexibility in order to meet the needs of its clients.

## Products

The Italian naturally leavened oven - baked cakes typical of Christmas time (namely Panettone and Pandoro) and Easter time (Colomba) have always been Dal Colle core business.

The company also developed a complete range of snacks (croissants, leavened snacks, cakes, puff pastry products, sponge cakes).

The choice of the finest natural ingredients combined together with over 100 years of expertise allowed Dal Colle to become one of the most successful companies operating in the Italian confectionery industry. Moreover, Dal Colle offers a wide range of solutions and supplies several retail chains all over the world.

## Quality

Quality has always been Dal Colle priority.

Dal Colle aims to offer excellent products, according to the authentic Italian tradition.

At the same time, Dal Colle improves continuously its standards to respond efficiently to market demands and challenges.

## International Certifications
